

Architecture Quilt Supply List

Fused Quilt

You will base your quilt on a photograph of a building or neighborhood. Decide how large you want your quilt to be then increase your photograph to that size.

I recommend Rapid Resizer – price ranges from \$39 - \$119 per year. It has a lot of features I use for other things so I have the Pro Version.

<https://www.rapidresizer.com/>

I made a little tutorial for how to use Rapid Resizer which you may watch here:

<https://vimeo.com/527980039/df97a6862a>

Choose fabrics for your main building(s) and sky. I like to use gradients for my buildings but you may use prints, hand dyes or batiks. Choose some colorful fabrics for your windows and doors, awnings, roof

Backing fabric

Batting - I use Quilter's Dream Poly Select

<http://www.quiltersdreambatting.com/>

Glide thread –for quilting

<https://quiltedjoy.com/shop/product-category/machine-quilting-thread/glide-thread>

Aurifil – cotton 50 wt. for piecing

<https://redrockthreads.com/aurifil-thread/aurifil-thread-makosolid50.asp>

MistyFuse

<https://www.mistyfuse.com/>

Parchment Paper – Reynolds

Freezer Paper – Reynolds, or tracing paper will also work

Small [18mm Rotary Cutter](#)

Small very sharp scissors – I like the [Karen Kay Buckley](#) scissors with the blue handles.

[Pigma Micron 005 Pen](#) - black

Improv Pieced Quilt

For this quilt you will not need to resize your image. Just choose fabrics as in the above instructions. Try to find colorful fabrics for your windows but make up a cohesive palette.

Trees:

If you wish to fuse trees to your quilt you will need

Evolon

<https://www.dickblick.com/products/evolon-ap-paper/>

Profab Opaque Paint – Black

Opaque Textile Paints – I just get primary colors, black and white, and mix my own colors. Check out their metallics as they are also yummy.

<https://prochemicalanddye.net/profab-textile-paints-opaque.html>

I cut my trees out on a Cricut machine. I have a Cricut Explore Air. If your design is not too intricate you make choose to cut yours out with a scissors or X-Acto knife.
